Jenks Sports Complex, LLC has completed its purchase of the Titan South Complex in Jenks OK. Jenks Sports Complex, LLC will begin to immediately renovate the complex. Once renovations are complete the complex will feature 12 premier grass fields and 3 artificial turf fields. Field lighting will be added to all fields and the parking lot. Ownership hopes to complete the majority of the renovations by this fall. Jenks Sports Complex, LLC is also excited to announce that Tulsa Soccer Club will call the Jenks Sports Complex their home. They will use the facility for training each night and their home games. In addition to hosting TSC, the complex will host a wide range of other sports and events. We are excited as we continue to build out the weekend event schedule. Jenks Sports Complex, LLC is committed to maintaining a premier sports complex for all to enjoy.

Yours Sincerely,

Doug Coleman
